

Clockwork Raven

User Asset License Agreement

1. Introduction

This document are a detailed explanation about the currently license of all products/assets the Clockwork Raven holds at itch.io(<https://clockworkraven.itch.io/>) and Patreon(<https://www.patreon.com/clockworkravenstudios>) to helps answering most questions regarding the assets. This will not change how it originally works in any way (Except as noted on “5.”, will be changed to provide better understanding through this rules).

This license does not cover any distribution from stores/platforms that are not tied to this license. If you witness any possible misuse please enter in contact on the email bellow.

If you got any other question regard the assets or license you can always send an e-mail to caioterci@gmail.com. I always will answer your questions as soon as possible.

1.2. FAQ

a) May I use and distribute screenshots and videos on social media and game stores if I buy this assets?

A: Yes, as long this called screenshots and videos and tied to a project or with illustration purpose and are not intended to the selling and distribution of the assets.

b) May I use this asset on an App, Movie, Online Stream, or other project that are not a game?

A: Yes, as long this project are not a Game Engine or similar project/software that will sub-distribute and give access this assets along with the called project. In this case, please contact me for further licensing.

c) May I used this asset for printed media, like my own physical tabletop game or to illustrate a magazine, including product boxes or manual I’m working on?

A: Yes, no problem.

d) May I use this assets in objects like crowdfunding rewards, T-shirts, Cups etc..?

A: Yes! As long as it is tied to your own project and its not simply selling the art itself.

e)How should I credit you in my project or game?

A: There no specific way, but you can give Credit to “Caio Carlos of the Clockwork Raven – Additional Art Assets”, “Clockwork Raven – Additional Art Assets” or as you seen fit.

f) May I use this asset on NFT(Non-fungible token) or similar platforms and method of

distribution?

A: No, as the owner of a NFT can distribute the NFT as they see fit and use it as their own property, this counts as a selling/distribution which is not included in the license.

g) Can I use the assets to train any kind of machine or AI related software to produce new or similar work.

A: No, the asset license only allows it use into projects, the intellectual property belongs to me still, so I kindly ask you to not.

h) Can I use the assets I acquired on Mods for games?

A: As long as you specify that the assets cannot be used or redistributed to your users, and as long as the mod is free, you can use it.

2. Purchase

If you download, purchase, or have obtained it via Patreon or the Itch.io store you are subject to all terms and conditions in this License. Please read this Agreement carefully.

3. Terms

Under this license the user Agrees to:

- a) Acknowledges that this asset(s) can be used as part of any personal or commercial digital and physical/print Product, this include: Video Games, Tabletop Games, Streams, Youtube videos, Magazine Art, Social Media, T-Shirts, Mugs. As long as they are tied to a content and are not being distributed as assets as they are.
- b) Not sell or distribute this assets(s) as a separate product as you are the sole owner of this license, this include using this asset as a part of a standard asset of a game engine that may be distributed along with the such engine or similar project. Exceptions: This asset can be distributed and used to a “team” while working on a project with you but can be used only in projects while you are included in the team.
- c) Modify the assets to suit your needs if necessary. The Modified asset still are part of this license and are subjected to all terms and conditions.
- d) Know that giving credit is not needed but is appreciated and the you may give it as seen fit. But do not claim ownership to the asset creation which belongs to Clockwork Raven.
- e) Know that you cannot use the Clockwork Raven name associated with any product, marketing campaign, social media except for giving credits or ownership of the asset in a project in question. Further, the owner of this license can use the Clockwork Raven name with explicit authorization (contact me first).
- f) Do not train the assets into a machine, AI or any software that may produce derivative or visually similar work.
- g) To use the assets in any way that this license does not cover, contact Clockwork Raven through my email caioterci@gmail.com and/or acquire a new license when available.

4.Warranty

Clockwork raven warrants that:

- a) Any and all intellectual property rights of the assets are and shall be owned by Clockwork Raven or specific artists contracted by Clockwork Raven.
- b) The owner of this license can use this asset on an unlimited number of products while the product in question remains in this license parameters.

5.Amendment

This license may be modified in order to prevent misunderstanding or misinterpretations not originally intended by Clockwork Raven.
